

**WAKE COUNTY HUMAN SERVICES
IN PARTNERSHIP WITH
MUSLIM AMERICAN SOCIETY**

Presents Community Outreach ROADSHOWS with Sister Hind Laraj & Project Team for Wake County residents

Family & Children’s Medicaid, Food & Nutrition Services, Women, Infants & Children and the Work First Programs will be on-site representing Wake County. They will help answer any questions, and facilitate full access to high quality and effective health and human services.

What we can offer...

Women Infants & Children Program

Healthy foods, breastfeeding support, infant formula, nutrition counseling, and referrals to healthcare for pregnant or postpartum women and children under 5

Food & Nutrition Services

Helps low-income households with their monthly food expenses. Helps eligible households buy food they need for a nutritionally adequate diet

Family & Children’s Medicaid

Health insurance for low-income children, parents, pregnant women and family planning services

Work First

Employment assistance for families in temporary financial crisis, including assistance with housing, job readiness, employment, and economic self-sufficiency- applications accepted BY APPT ONLY

Residents will be able to complete applications, on-site, directly with Staff
